People are asking...IS THIS THE END? Signs of God's Providence in a Disturbing New World – Dr. David Jeremiah

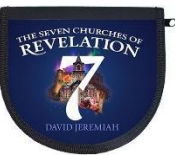

Never have the headlines been this jarring, the cultural changes this rapid, or the moral decay this pronounced. What on earth is happening? After each new occurrence, the most oft-heard questions are, "Will the world ever be the same again?" and "Where is God in all of this?"

No one can afford to ignore these warnings, but all can better understand the greater story and the role we each play in this changing world. From prophetic clues in Scripture to an understanding of the power of Christ in all believers, this series offers a clear path forward. The nine messages in this DVD album will discuss the question of whether this is the end of America, and whether this is the end of the world.

Time: 6:30pm – 8:00pm (or agreed upon time/length)

THE SEVEN CHURCHES OF REVELATION – David Jeremiah

Christ dictated those 7 letters personally to the apostle John while he was exiled on the island of Patmos. John wrote down everything he was shown: his vision of Christ on Patmos, the content of the 7 letters, and what would happen on earth during the Tribulation. In this study guide, the focus is primarily on Christ's commendations and criticisms of the 7 churches in Asia Minor. Dr. David Jeremiah will unpack the meaning of each letter at three different interpretive levels: *primary*, *personal*, and *prophetic*. Understanding Christ's view of ancient churches can help our modern churches be more faithful.

THE BIBLE *for* GROWN UPS – Andy Stanley

As children, many of us received a leather-bound book full of long words and difficult names we couldn't pronounce. We were told everything in it was true and we should do our best to abide by its teachings. Then we grew up. What was oh-so-simple then is . . . well, it's not simple. Perhaps that's because we were taught Bible stories but not the story of the Bible. Big difference. In this 4-part series, Andy Stanley gives us a way to approach the Bible that begins with something other than in the beginning . . .
